Foods By George is a wholesale manufacturer of **wheat-free gluten-free** foods, both bakery products and frozen grocery items. Since our inception in 1991, we have been providing quality food choices to our customers on gluten-free diets including individuals with Celiac Disease, Autism, and those with wheat allergies. Each of our all-natural products are preservative free, developed and manufactured in our 100% wheat-free gluten-free facility and undergo rigorous taste testing. Below is a list of our products and contact information. Please give us a call for more information on pricing and purchasing.
